EY (Ernst & Young)

Winter Intern, Financial Audit & Assurance Services, Full-time

Bergen, Norway

Jan 2025 – Feb 2025

Associate, Financial Audit and Assurance services, Part-time

Feb 2025 – Present

- Audited shipping and oil-related companies (public and private) in teams of 5–10, identifying potential misstatements and ensuring IFRS/GAAP compliance.
- Developed and maintained 50+ dynamic Excel models for control and substantive testing, identifying potential misstatements and driving efficiency by boosting accuracy and reducing analysis time by 20% in financial data analysis.
- Collaborated with finance and accounting departments to gather critical audit evidence, enhancing stakeholder trust and confidence in reported figures.
- Performed detailed risk assessments to evaluate exposure to significant financial and operational risks, summarized findings for senior auditors, and contributed to strategic decision-making.

Superprof

Freelancer, Math Tutoring

Bergen, Norway

June 2023 - Present

- Provided tailored math instruction to several students from grade 7 through university level, ensuring clear understanding of concepts, and steady improvement in academic performance.
- Provided high-level tutoring by analyzing students' needs and making great preparations, leading to constant positive feedback, several great reviews, and a 5/5-star rating on Superprof.no, reflecting a strong record of student satisfaction.
- Fostered a supportive learning environment that transformed students' attitudes toward math, resulting in heightened motivation and grade improvements, leading to several students expressing improved excitement for math.

Rådalslien Shared Accommodation

Healthcare Assistant, Part-time

Bergen, Norway

Aug 2022 – March 2025

- Shared accommodation for 10 individuals with mild disabilities.
- Planned and coordinated daily activities for residents, managing schedules, budgets, and resources to ensure efficient operations and positive experiences.
- Proactively mitigated risks and maintained compliance with safety protocols, drawing on specialized training to handle sensitive situations and protect stakeholders.
- Monitored residents' physical and emotional states, identifying and analyzing emerging patterns such as early illness symptoms or behavioral escalations, and implementing preventive strategies for their well-being.

Storetvedt High School

Substitute teacher, Part-time

Bergen, Norway

Nov 2023 – Dec.2024

Personal Teaching and Growth assistant, Full-time

Jan 2024 – Mar 2024

- Storetvedt High School is an institution with around 450 students from grades 8–10.
- Quickly adapted to teaching multiple subjects on short notice, ensuring adherence to scheduled lesson plans and covering the required curriculum so students remained on track academically.
- Tailored guidance and feedback to each student's skill level, leveraging differentiated instruction to enhance learning outcomes across diverse subject areas, making sure each student feels seen and have a personalized learning experience.
- Served as a personal mentor and educator for a struggling student, boosting academic performance, attendance, motivation, and overall engagement through individualized support and personalized lessons.

LEADERSHIP

SUN (Student Council at NHH)

Aug 2023 –Present

Student Representative

- Attended several meetings with the Institute of Strategy & Management, and the Institute of Business Economics at my university ensuring fair and correct leadership and acting as the students' voice, providing our point of view.
- Organized social and academic events to enhance student engagement and foster a stronger campus community.
- Held regular meetings to address key student-related issues, providing an open forum for questions, feedback, and concerns.

Uken I Bergen – Ukesport Department

Aug 2021 –Mar. 2022

Student Representative

- Planned, budgeted, negotiated, and completed 5 sports events, serving over 500 participants, and reduced operational costs by 15% compared to prior years; keeping well within all budgets.
- Led a 6-person team, assigning clear responsibilities and hosting weekly check-ins, resulting in 100% on-schedule event completion and a 15% boost in participant satisfaction.
- Implemented COVID-19 measures, like contactless registration and staggered start times - enabling safe participation for 500+ attendees with zero reported issues or illness.
